It is up to our discretion to enforce a 2:1 infant to adult ratio policy between (3-12 months of age) at any time.****

Policy Reminders:

1. You must register your child/ren in the Kid's Club or upon each visit, with NAME and ACCT #. Kids Club attendants will check your child in and out. We suggest you label your child's belongings, as we cannot take responsibility for items left at the club. Items left will remain in lost & found for 30 days.
2. Please change your child's diaper prior to bringing them into the Kid's Club and send a spare diaper with them. We will change soiled diapers on children up to 3 yrs of age, as we are able, depending on the number of children in the Kid's Club.
3. If the child is to leave with someone else, the person who registers the child must notify the Kid's Club attendant. The person other than the parent/guardian must be on Emergency Information card in order to be released from Kid's Club.
4. A child with a cough, flu, fever, and/or excessive runny nose will not be permitted in the Kid's Club. Please find alternative accommodations for them so we may protect the other children.
5. Attendants will get parent if child has been crying for a long period of time, seems ill, seriously misbehaves or is injured in any way.
6. All children left in the care of the Kid's Club attendants must conduct themselves in a manner that is not disruptive to other children. If the attendant cannot control the child, the parent will be asked to remove the child from the Kid's Club.
7. Food or drinks are NOT allowed in the Kid's Club.
8. Children may be left in the Kid's Club for a **maximum of 2 hours per visit per day**. There will be a late charge assessed for over 2 hours or past closing times.
